

Beginning Tracking Seminar

Hosted by PWCCR/DFTA

No prior experience necessary!

If you have been wanting to try Tracking but don't know where to start, if you're curious to learn more about the sport, this seminar is for you!

This 1-day seminar will teach you:

- ✓ How to begin Tracking
- ✓ What equipment you will need
- ✓ How to handle your lead while Tracking
- ✓ How to help the dog indicate articles
- ✓ The AKC rules

The day will consist of classroom and outside presentations and hands-on exercises in the field both with and without your dog. The seminar is structured to provide handlers with a foundation of training principles and techniques to begin tracking training with your dog.
